Make & Bring Your Own Snowflake!!

Joining us for Frosty? Then you're invited to participate!

Here's how it works:

1) Assemble your materials (no larger than 12" x 12"):

To make a paper snowflake, you need two essential craft supplies: paper and scissors. When choosing your paper, remember that lightweight paper, such as wrapping paper, tissue paper, or crepe paper, will be lighter and easier to cut, but it will be more fragile to decorate with. Medium to heavy weight paper—butter paper, card stock, or text-weight poster paper—is harder to cut but is more sturdy for decorating.

2) Design & decorate your snowflake:

There are many printable snowflake templates online or design your own!

Here's a few:

[Printable snowflake templates \(fold and cut\)](#)

[Printable snowflake template \(no folding\)](#)

[Simple snowflake templates](#)

Decorate your snowflake with glitter, colorful buttons, sequins, gems, paint, or anything else you like. Make sure you glue everything down firmly to prevent your snowflake from losing its decorations.

3) Sign your snowflake:

Write your name on your snowflake clearly and boldly for all to see.

4) Hand in your snowflake:

As you arrive to the show, hand in your snowflake to the SOPAC ticket collector.

5) See your snowflake displayed in SOPAC lobby after the show:

SOPAC will create a winter wonderland from your artwork to be displayed throughout the holiday season! Snowflakes can be picked up in January by contacting our administrative offices at (973) 382-1027 or info@SOPACnow.org
